Happyy New Year to all fellow alumni! I hope everyone had a wonderful Holiday Season. I look forward to a terrific year with the 31st Biennial meeting to be held on June 20-21, 2003 in Indianapolis. This year’s biennial meeting will honor a wonderful teacher and friend, Dr. Paul E. Starkey. Program Chairperson, Carol Braun, has been busy putting together the final touches for this meeting which will be held at the new Indiana State Museum with lunch at the NCAA Hall of Champions. It should be an exciting conference with Dr. Cathy Flaitz from the University of Texas, Houston, as this year’s McDonald Lectureship speaker. On Saturday evening, the recognition dinner honoring Paul Starkey and the installation of the new officers will be held at the Indiana Historical Society Museum in downtown Indianapolis. Those of you who wish to honor Paul may do so by making a monetary contribution in Paul’s name to the McDonald Fund. Pam Lovejoy has included a donation form in this newsletter for your convenience. I hope we can break the attendance record set two years ago. Chuck Kerkhove has put together a wonderful golf tournament at Coffin Golf Course.

I want to thank Secretary-Treasurer Jenny Stigers and her committee for their hard work in making the necessary changes and revisions on the Association’s Constitution and By-Laws. A copy of the proposed changes and revisions are included in this mailing. The approval of these changes and/or revisions will be voted upon at the business meeting on Saturday at the biennial conference.

Bill Keaty, with the help of Barry Burgess will be organizing the IUPDAAs activities and hospitality suite for the AAPD Annual meeting in New York in May of 2003. The dental residents at Riley are calling on Alumni for donations for the raffle, so please be generous. The monies donated and

TRIBUTE TO PAUL E. STARKEY
by Ralph McDonald

On Saturday evening, June 21, 2003, the Indiana University Pediatric Dentistry Alumni Association will have the opportunity to recognize Dr. Paul E. Starkey for his many contributions to pediatric dentistry, the Indiana University School of Dentistry, and our alumni association. While we are anticipating a large attendance at our biennial conference, I recognize that some will not be able to join your colleagues and friends; so I want to take this opportunity to tell you about some of Paul’s achievements. Prior to coming to Indiana, Paul combined part-time teaching of Pediatric Dentistry with a full-time practice. Dr. Starkey began a second career in dentistry in 1959 when he joined the full-time faculty of the School of Dentistry after giving up a very successful practice in Dayton, Ohio. Paul’s activities in the American Society of Dentistry for Children culminated in his Presidency in 1966-1967. He continued his work with the society, and was one of the organizers of the ASDC Foundation. Paul has played an active role in the American Academy of Pediatric Dentistry and also the Association of Pedodontic Diplomates, serving as President in 1979-1980.

Dr. Starkey’s students and peers have recognized his talents as a teacher. In 1963, early in his career in dental education, he was named Teacher of the Year by the senior class. In 1968, he received the Frederick Bachman Lieber Distinguished Teaching Award, an all-University award presented annually in recogni-
It is with pleasure that I introduce our newest member of the fulltime pediatric dentistry faculty at IUSD. Dr. Joan E. Kowolik was appointed Assistant Professor of Pediatric Dentistry effective October 1, 2002. Joan is not a stranger to us because she had been a part-time faculty member at IUSD since 1998 and then she accepted a fulltime visiting faculty position with us beginning January 2001. Dr. Kowolik is from Scotland. She acquired her formal dental and specialty education in the United Kingdom at the Universities of Edinburgh and Leeds and she was a member of the pediatric dentistry faculty at the University of Leeds for about 8 years. In addition to being heavily involved in our pediatric dentistry educational programs, Joan is the tutor trainer for IUSD's Problem-Based Learning (PBL) program and she chairs the PBL case writing panel. She is also a key contributor in IUSD’s student assessment process, a critically important component of the Indiana Model of Dental Education.

I am also very pleased to report that the American Dental Education Association (ADEA) recently awarded Dr. Kowolik a prestigious fellowship position. Joan is one of only 21 dental faculty members in the nation to be accepted for a Fellowship in the ADEA Leadership Institute for 2003-2004. According to ADEA, the Institute’s program is, “a year-long program designed to develop the nation’s most promising dental faculty to become future leaders in dental and higher education.” Following an orientation program at the ADEA annual meeting in March, in San Antonio, fellows will convene quarterly at sites around the country, including Washington D.C. where a legislative workshop will be held. Congratulations Joan!

Congratulations are also offered to Dr. Jeffrey A. Dean. Jeff was selected by the Nominating Committee of the American Academy of Pediatric Dentistry (AAPD) to be the AAPD’s next nominee for election as a Director of the American Board of Pediatric Dentistry (ABPD). Elections are held during the AAPD’s annual general assembly for business and the next assembly is scheduled for 9:00 A.M., Sunday, May 25, 2003 at the New York Marriott Marquis. All voting members of the AAPD (Fellows, Active and Life members) are entitled to vote in this election regardless of their status with the ABPD.

Finally, I am happy to report that the Riley Dental Clinic faculty and administrative offices along with our McClure Conference Room and Library moved to a brand new space of approximately 2000 square feet on the fourth floor of Riley Outpatient Center. Our move took place on schedule the week of November 18, 2002. Our new area is located one floor directly above our clinic. Our McClure Room has an all-new state of the art media center for educational enhancement. We look forward to the opportunity to show our new space when you visit in June, if not before.

The 2003 Biennial Meeting will be in Indianapolis, IN, Friday and Saturday, June 20-21, 2003. Alumni should have received a meeting brochure with the schedule of events and registration information. Our host hotel is the Hyatt Regency Downtown. It is within walking distance of most of the planned activities. A block of rooms has been reserved for us but availability will be very limited, CALL NOW! Reservations can be secured by calling the local reservations number 317-632-1234 or 800-233-1234. Be sure to ask for the Indiana University room block.

The 2003 meeting will honor Dr. Paul Starkey for his many contributions to pediatric dentistry. Our McDonald Lecturer will be Dr. Catherine Flaitz presenting "Pandora’s Box of Symptomatic Pediatric Oral Lesions." The CE presentation will be at the newly completed Indiana State Museum. It is in close proximity to the NCAA Headquarters where we will have lunch on Friday.

Saturday will allow for graduate student presentations, tour of the Riley facility, and golf. The closing dinner honoring Dr. Starkey will be at the Indiana Historical Society.

Send your registration materials in by May 1, 2003 to avoid a late registration fee. If you have not received the meeting information contact Karen Deery at 317-274-8959.

Mark Your Calendar for the 2003 AAPD Conference in New York City, New York. Our Alumni Association will have a suite in the New York Marriott Marquis, 1535 Broadway. The hotel phone number to make a reservation is 1-800-843-4898 or 1-212-398-1900. The suite will be open on May 22, 23, 24, and 25. Plan on the usual fun, food, beverages, and raffle. Look for more information on our suite in April.
NEW RESIDENTS FOR GRADUATING CLASS OF 2005
by Jeff Dean

It is a great pleasure for me to announce to our Alumni Association the names of our entering class for this summer. In alphabetical order they are: Sean L. Cook, a 2003 graduate of Indiana University; Anoki D. Dalia, a 2003 graduate of Tufts University; Mark A. Ellis, a 2003 graduate of Indiana University; Hans Petersen, a 2003 graduate of University of Kentucky; Jodie Stickley, a 2003 graduate of the University of Missouri and also our Navy resident; and finally, last but not least, Mark G. Ward, a 2001 graduate of the University of Iowa.

You will note that we have a total of six residents entering our program this summer and with six residents entering the second year class, that gives us a total of 12 residents in our program. That is the number that we hope to maintain for the foreseeable future.

Please take a moment to look at their photos accompanying this article. If you have the opportunity at the Alumni Association meeting in June to say hi and welcome them to Indiana University, please do so!

Class of 2005 IU Pediatric Dental Residents

Hans Peterson
University of Kentucky

Jodie Stickley
University of Missouri

Mark G. Ward
University of Iowa

Sean L. Cook
Indiana University

Mark A. Ellis
Indiana University

Anokhi D. Dalia
Tufts University

At the direction of our President, changes to the Constitution and By-Laws have been proposed to reflect more accurately our annual contributions (no longer called "dues"), committees, and the duties of our executive council members and executive secretary. Areas of expansion are: 1) the ex-officio involvement of the faculty and the Chief Resident in Pediatric Dentistry at IU with IUPDA; 2) the ability of the executive council to meet in closed session; 3) participation of invited guests in our official activities. In addition, we have attempted to make consistent the style for numbers and terminology used within these documents. In accordance with our constitution, these changes are submitted to the membership in writing not less than 30 days prior to our biennial session. These proposed changes will be discussed/voted upon in June. Please review the revisions that are enclosed before the biennial meeting.
generated from the raffle as well as the yearly $40.00 donations help toward funding the suite and the resident's travel and lodging to the AAPD meeting.

I also want to sincerely thank David Avery and Jeff Dean for all their input in helping me carry out the duties as your President the past two years. Their help and advice has been greatly appreciated. Also my appreciation and gratitude is extended to the Officers and Board of Directors of our Alumni Association for helping me carry out the charges and function of this organization.

Many thanks to our Executive Secretary, Karen Deery, who has been an outstanding addition to our Alumni Association. Her tireless effort and help has allowed me to conduct the business of this organization from as far away as California. She has organized all the local arrangements and hotel accommodations for the June Biennial Meeting, made all the hotel arrangements for the hospitality suite at the Marriott Hotel in New York, and has helped Dr. Ralph McDonald on the "Our Tree" newsletter.

As a reminder to our Alumni, there are now twelve pediatric dental residents in the Riley program. In order to maintain the excellence of this program and to insure a supply of pediatric dentists to keep our specialty strong through the next millennium, we must continue our financial support by our gifts and contributions to the Ralph E. McDonald Fund.

Finally, since these are my last President's Notes, I want to thank the members of our Alumni Association for the opportunity to serve as your President the past two years. It has been a joy and I hope to see all of you at the 31st Biennial Meeting in June in Indianapolis!!!

MURRAY CLARK GUBERNATORIAL CAMPAIGN ANNOUNCED

Dr. Janet Clark's (Indiana University Pediatric Dentistry 1987) husband, State Senator Murray Clark, announced his candidacy for the Governor of Indiana for the 2004 campaign on Monday, February 17, 2003. Janet, who has 4 children and has been strongly supportive of her husband's political endeavors, practices on the west side of Indianapolis. In addition, Janet has been active in the Indiana Dental Association as a Delegate. Janet and Murray are pictured with President George Bush and his wife, Laura. "We wish Janet and Murray the best of luck in their campaign!"

There really is life after retirement.

Dr. Starkey continued from page 1

There really is life after retirement. Dr. Starkey has been a continuous contributor to the dental literature, both in scientific articles for refereed journals and in textbooks. He has contributed 10 chapters to textbooks and authored an excellent monograph Pulp Therapy in Dentistry for Children. Just before his retirement, a textbook which he co-authored, Managing Children's Behavior in the Dental Office, was published by the C.V. Mosby Company.

After choosing retirement in 1983, Paul spent a great deal of time at his summer home on Rice Lake, near Hastings, Ontario, and finally made a permanent move to Coos Bay, Oregon, where he resides to day.

Paul's departure from the faculty left a great void in our educational and research programs, but his favorable influence during his 24 year tenure is recognized with appreciation. Please join us on June 21 as we salute my distinguished colleague and longtime personal friend, Paul E. Starkey.
We will have our alumni suite in the New York Marriott Marquis in Times Square for the AAPD Annual Session. Our suite number has not been determined by the hotel yet. The New York Marriott Marquis Hotel is located at 1535 Broadway. Thursday the suite will open and remain open through Sunday night. Please don’t forget to purchase your raffle tickets for the Annual IUPDAA Raffle. Raffle tickets will be mailed the first week of April.

**IUPDAA Suite Schedule at the AAPD:**

**Thursday, May 22, 2003**  
Suite opens at 5:00 p.m.  
6:00-8:00 p.m.  
The suite will remain open throughout the evening.  
Opening Gala Dinner at Rockefeller Center.

**Friday, May 23, 2003**  
Suite open all day  
Feel free to stop in between sessions for friendship and refreshments. In the evening, plan to stop in before and after your dinner plans.

**Saturday, May 24, 2003**  
Suite open all day  
12:00-1:30 p.m.  
4:30-6:00 p.m.  
6:00 p.m.  
Please stop in between sessions  
AAPD Graduate Student Luncheon  
AAPD General Assembly Business Meeting  
IU Pediatric Dentistry Alumni Association Party.

**Sunday, May 25, 2003**  
Suite opens at 10:00 a.m.  
5:00 p.m.  
7:00 – 10:30 p.m.  
Race Party! Jeff Dean will again run an Indy 500 race raffle and will be selling raffle tickets all weekend.  
IU Pediatric Dentistry Alumni Association Party.

CLASS NOTES

Joe Camp’s daughter and son-in-law, Elizabeth and Joshua Damesek, are general dentists in Charlotte. One grandchild, Sammy, 18 months, and another grandchild due in December 2002. Guthrie Carr lost his wife, Catherine, on May 22, 2002.

Walter Davis says he sure misses seeing you all.

John Deppen and Dennis Duffield completed the Michigander Bike Tour from South Haven to Traverse City in July. They were accompanied on this 300 mile trip by John’s 75 year old brother, Sam, who finished ahead of them.

David Epstein said Glizt Dental Company has been developed to produce sensational tasting, highest quality dental preventive care products. He would love for IU alums to visit his website at www.glizt dental.com.

Rhett Fagg is holding up well under the weight of their 5 children, ages 23, 21, 15, 11 all of whom continue to need some form of support as they wind their way through higher education according to his wife, Marilyn. Rhett is a wonderful guy and the children are all fine.

Robert Fisher announced that Marilou Navarro who graduated from UCSF in 1996 and did her residency at Howard University in 1998 joined him as a partner in October 2002.

James Fleck retired in April 2002.

Joe Forgey announced that Chad Hazelrigg has joined the practice.

Andrew Guthrie got an MSD from Pediatric Dentistry in the summer of 2002.

Bret Jerger did his second bone marrow donation at Indiana University Hospital in May 2002. His first bone marrow donation was in January 2001.

David Kennedy was elected President of the Royal College of Dentists of Canada for a two year term. David said “we run specialty examinations for Canadian dental specialists.” In October 2002 he lectured at Pacific Coast Society of Orthodontists. He will lecture at the American Association of Orthodontists in May 2003.

Stephanie Litz said she is no longer at Methodist Hospital practicing. She is in Mooresville fulltime Tuesday–Friday.

Randy Long will be President of the Indiana Foundation of Dentistry for the Handicapped until May 2004.

Phil Miller’s only daughter just got married in March 2002. She assists him in the office.

Matt Pate and wife, Kristen, had their third daughter, Gabriella Grace Pate.

Sidney Price has doubled the size of his office and will need an associate this summer.

Bob Rimsdild has limited his practice to only dental orthopedics and orthodontics as of January 2001.

Holly Wentz Reeves said the South Plains District Dental Society enjoyed having Dr. Brian Sanders speak at their February 2002 dental meeting. Holly and Pat have another son, Davis Edwin Reeves, born on June 21, 2002.

Robert Speding retired from the University of Kentucky. He taught there 35 years with John Mink. They had a great department!

Vincent Trimbole has a new 10 chair office!

Jerry Udelson announced Benjamin Mark Udelson was born April 26, 2002.

Roger Wood was appointed for a four year term to the ADA Council on Dental Education and Licensure.

CLASS OF 2003 FUTURE PLANS

Michelle Edwards will stay in Indianapolis until her husband, Michael Edwards, finishes his Periodontics Graduate Program next year, and then, as she says, “I’m still looking!”

Hayley Heckman private practice with a possible academic appointment, possibly in Ohio.

Nathan Kirk private practice in West Virginia.

Craig Ritchie private practice in West Virginia.

Marcia White Navy, stationed in Camp Le Jeune, North Carolina for at least 3 months.

DON’T MISS THE FUN AT THE IUPDAA HOSPITALITY SUITE IN NEW YORK CITY

Last year’s suite in Denver was as crazy as ever. We had paid entertainment from the group Genuine Cowboys and unpaid entertainment from many alumni members. If this year’s suite was anything like last year, you don’t want to miss it.

We will once again have a silent auction and raffle. We will also have entertainment, food, and plenty of beverages! We will be located in the New York City Marriott in Times Square. This will be especially convenient for the 40 alumni that will be attending "The Producers." Stephanie Litz arranged for all the tickets.

Our suite number has not been assigned yet by the hotel. We will try and make sure a sign with our suite number is posted by the Concierge’s desk.

Just a note to remind you that our suite is a great place to relax and see old friends. It also functions as a fund raiser to support our residents and the IU residency program. Please be generous when the residents call you asking for assistance. Last year, approximately $7000 in prizes were donated by alumni for the silent auction and raffle.

Jeff Dean will again run the Indy 500 race raffle. Jeff will be selling race raffle tickets throughout the weekend.

If you have any questions, please call Karen Deery at (317) 274-8959. We hope to see you there!

Room 110, Indianapolis, IN 46202-5186. For questions call Pam Lovejoy at 317-274-5397.
CALL FOR NOMINATIONS
THE INDIANA UNIVERSITY PEDIATRIC DENTISTRY ALUMNI ASSOCIATION
2003 DISTINGUISHED ALUMNI AWARD

The presentation of the Distinguished Alumni Award will take place during the IUPDAA Biennial Meeting. The recipient will receive the award at the installation dinner.

ELIGIBILITY
The Indiana University Pediatric Dentistry Alumni Association Distinguished Alumni Award is presented to an individual in appreciation of dedicated service and unselfish loyalty to the Pediatric Dentistry Residency Program and in recognition of their professional achievements to the dental profession and the specialty of Pediatric Dentistry. Eligible nominees are dental graduates and resident graduates from the Indiana University Pediatric Dentistry Program who are current members of the Indiana University Pediatric Dentistry Alumni Association and who have exhibited the following:
1. Made significant contributions to pediatric dentistry.
2. Supports and participates in professional and community activities locally, nationally, and/or internationally.
3. Devoted extensive volunteer leadership service to the dental profession and to pediatric dentistry.
4. Demonstrates high professional standards and dedication.
5. Provides consultation to colleagues in the area of expertise.
6. Exhibits outstanding dedication to the advancement of the Indiana University Pediatric Dentistry Program and furthering the education of its current residents.

NOMINATION PROCEDURE
A member of the Indiana University Pediatric Dentistry Alumni Association nominates alumni he or she considers has met the eligibility requirements.
The nominating person must submit the following information for review:
1. Letter of nomination and the nominee’s curriculum vitae.
2. Distinguish Alumni nomination form.

SELECTION OF RECIPIENT
The Officers and Board of Directors of the IUPUDAA will review all the submitted nominations and will select the individual who meets the above criteria.

NOMINATION DEADLINE: MAY 1, 2003
Please complete the following information blanks. Please remember to include a letter of nomination and nominee’s curriculum vitae. Both pieces of information need to be received in order to continue the nomination process.

I nominate__________________, for the Indiana University Pediatric Dentistry Distinguish Alumni Award.

Nominee’s Address________________________________________

Nominee’s Phone Number____________________________________

My name is ________________________________________________

My address is________________________________________________

My phone number is __________________________________________

Send this form, cover letter, and nominee’s curriculum vitae by May 1, 2003 to: Ms. Karen Deery, Executive Secretary, Indiana University Pediatric Dentistry Alumni Association, 850 W. Michigan Street, Suite 241, Indianapolis, IN 46202-5198; Phone: 317-274-8959, Fax: 317-274-5064
President’s Notes
By Carol Jean Braun

Happy Holidays to fellow alumni. I hope with the arrival of this newsletter everyone has had an opportunity to recover after the AAPD meeting in New York City, our biennial meeting in Indianapolis, and "back to school" rush in our practices. This year our alumni organization had two great venues to renew friendships and professional alliances. Our New York City hospitality suite was well attended and supported. The biennial conference in Indianapolis started with a great continuing education presentation by Dr. Catherine Flaitz and concluded with our alumni tribute and recognition of Dr. Paul Starkey. The closing banquet at the Indiana Historical Society also honored the graduating class of 2003. Dr. Paul Walker received the IUPDAA Distinguished Alumnus Award.

The general business meeting in conjunction with the biennial meeting addressed several issues. As with any organization, expenses were a great concern. With the recent AAPD meetings scheduled at two of the most expensive cities for travel, this has increased both the cost of the hospitality suite and our support for the residents. Bill Keaty has organized an "Adopt-a-Resident" program to maintain the funding for meetings and travel. The recommended annual minimum contribution level, formerly known as dues, was increased to $100 per year. These changes along with our continued support of the McDonald fund should keep our organization and post-graduate programs operating and improving.

Jenny Ison Stigers will be our vice president and program chairperson for the 2005 Biennial meeting. Barry Burgess will assume the office of secretary-treasurer. Leslie Tanimura will organize the Hospitality Suite at the 2004 AAPD Meeting. She has been doing preliminary scouting of the site to give our alumni a prime setting for the hospitality suite. Dr. James Weddell was elected to the Board of Directors. All these individuals would welcome the assistance and ideas of fellow alumni in the execution of their committee assignments.

TO MEMBERS OF IUPDAA

Please accept my sincere thanks for the great party you gave me on the evening of June 21, 2003. It was a typical IUPDAA first class operation with all the trimmings, including the great gift of the walking sticks. I will treasure the memory of the event and the gift for the rest of my life.

Thanks too for inviting members of my family to be present. It was thoughtful of you and they thoroughly enjoyed the evening. They asked me to thank you on their behalf.

Thanks to those who personally organized the whole event. I understand the effort and time they gave to do that for me...and a special thanks to those who made a financial contribution to the McDonald Pediatric Dentistry Fund.

I have often said to students who showed an interest in dental education that the rewards of a teacher are often belated. Perhaps because of that, tributes are appreciated more. You have honored me in the past and I am privileged to have lived this long and still receive your recognition.

Forgive me for pontificating, as I make the observation that each of you was fortunate to have been accepted into our program. You have become better prepared and trained than I, and perhaps many of your teachers. However, each of us in our own way has played a part in "rounding out" your education and preparing you to deliver and demonstrate a high quality service to children. For most of your pediatric dentistry professors, observing your achievements, your election to high office by your peers, and your leading the way into modern pediatric dentistry, became our greatest personal rewards.

My memories are filled with the wonderful rapport I have had with so many of you. My only regret is to have missed knowing all those students who participated in our program since my retirement.

I love you all and I am truly blessed to have had you in my life.

Paul Starkey

Dr. Paul O. Walker Named
2003 Distinguished Alumnus

Dr. Paul O. Walker was presented the Indiana University Pediatric Dentistry Distinguished Alumnus Award on June 21, 2003. The Distinguished Alumni Award is given to an individual in appreciation for dedicated service and unselfish loyalty to the Pediatric Dentistry Residency Program and in recognition of their professional achievements in the dental profession and the specialty of Pediatric Dentistry.

Paul's nominator, Dr. Brian Lee, said "I have known Paul for over thirty years and during this time he has distinguished himself by his contributions, leadership, and dedication to the advancement of the dental profession and to the specialty of Pediatric Dentistry. Currently, Paul has 'retired', however, he continues to donate his time by teaching two days a month at the Indiana University Pediatric Dentistry Residency Program on a volunteer basis. He has to fly down from his home in Minnesota in order to do this. Also, when he served on the American Board of Pediatric Dentistry as a Director, Paul would again come down from Minnesota to mentor the Riley residents in the Board Certification process."

Dr. Walker's award was presented at the Biennial Dinner in Indianapolis.

Our executive secretary, Karen Deery, continues to provide us with a wealth of talent, organization and ideas. Her assistance with the hospitality suite, local arrangements for the biennial meeting, and tireless correspondence is truly invaluable. Thanks!

Reviewing the current activities of our alumni organization including our support of future pediatric dentists and honoring our distinguished mentors and alumni, I continue to be amazed at the generosity of all those alumni in the shadow of OUR TREE.

ANOTHER SILENT AUCTION ITEM FOR THE ALUMNI SUITE AT THE AAPD MEETING

A week in an RCI time share condominium. Destination is your choice. It could be a tropical paradise or skiing in Colorado.

Note: does not include transportation or food. 
Donated by Keith and Cathy Roberts
• **Jeffrey A. Dean** has been elected President-Elect of the College of Diplomats of the American Board of Pediatric Dentistry. **Diane Dilley** continues to serve as Secretary-Treasurer of the College. **James Weddell** has been elected Director of the College of Diplomats.

• **Charles Poland** continues to serve as the American Academy of Pediatric Dentistry Trustee for District IV.

• **Gerald Z. Wright** is serving as Honorary Secretary General of the International Association of Pediatric Dentistry.

• **Tawana Lee**, a second year pediatric dentistry resident, has been appointed to the American Medical Student Association (AMSA) Foundation’s new Leadership Seminar Series and will be participating in a yearlong program. Brian J. Sanders will serve as her faculty mentor for this program. Tawana also received a prestigious scholarship from the National Dental Association.

• **IUPDAA members** are serving important roles in the American College of Dentists. **Dr. B. Charles Kerkhove** is President-Elect; **Dr. Ray Klein** continues to serve as Secretary-Treasurer and **Dr. Thomas J. Wickliffe** has been elected Regent for Regency 8.

• **Dr. Kevin Hale** has been named a member of the American Academy of Pediatrics New Section on Pediatric Dentistry (SOPD).

• **Dr. James R. Roche** has retired as Executive Secretary-Treasurer of the American Board of the Pediatric Dentistry after serving with distinction for 20 years. In honor of Jim’s retirement, the College of Diplomats of the American Board of Pediatric Dentistry has created a James R. Roche Award of Excellence. This award will be given annually to the candidate receiving the highest grade on the comprehensive written section of the American Board Certification Examination. This award will include a monetary gift, a plaque honoring his or her accomplishment, and will be presented to the recipient at the annual breakfast meeting of the College of Diplomats. Dr. Roche was also presented the Indiana University School of Dentistry Distinguished Alumnus Award on September 19, 2003.

• **Jeffrey A. Dean** has been elected Director of the American Board of Pediatric Dentistry and will serve a five-year term. Jeff joins ten other Indiana University graduates who have had the honor of serving as Director (examiner) including: **Ralph McDonald, Richard Jennings, Walter Doyle, Paul Starkey, James Roche, John Mink, Gerald Wright, Arthur Mourino, Thomas Wickliffe, and Paul Walker**.

• **Dr. Virginia Cross** of Zionsville, Indiana, was honored at the St. Vincent Hospital Physician’s Recognition Banquet February 8 for her 25 years of service. Dr. Cross established the first operating room facility at St. Vincent for the dental treatment of severely handicapped or emotionally disabled children. She was the first woman accepted to the Maxillo-Facial Comprehensive Dental Department of Surgery. She also established and directed St. Vincent’s first dental clinic at St. Vincent New Hope, a facility for the rehabilitation of disabled children and those with spinal injury. During her 16 years at New Hope, Dr. Crose wrote guidelines for the dental care of those staying in long-term residential facility. Her guidelines were later accepted by the state legislature for all nursing homes in Indiana. Dr. Crose maintains a private practice limited to pediatric dentistry on 86th Street and remains on staff at St. Vincent Hospital.

• **Appointments to the American Academy of Pediatric Dentistry**
  • Council on Annual Session: **Stephanie M. Litz**
  • Council on Clinical Affairs: **Gayle V. Nelson**

NEW YORK UPDATE

By Bill Keaty

I f you weren't there you missed a good one!!! Our hospit-
ality suite was extraordinary this year as usual. The theme
was New York, New York and the food and the décor
reflected the spirit of that great city. We had a very successful
raffle ticket sale and auction. Our special thanks go to those
who donated items for the raffle and auction, also to those who
bought tickets and bid on the items. You made it happen!!

Even with the monetary success we fell short of covering our
expenses, with next year having an equally expensive venue
(San Francisco) and now 12 residents to transport and house.
WE NEED YOUR HELP!!!

Please consider donating an item, any size or any value, will be
very much appreciated. You tell us the value and we will send
you an official acknowledgment of receipt. All you have to do
is call Karen Deery at 866-267-3104 and she will assist you
with the details.

What we need are items that have universal appeal, like gift
certificates from National chains (i.e. Dillard’s, Nordstroms,
Saks, Linens and Things, Foley’s, Brooks Brothers, Williams
and Sonoma’s, Cabela’s, Orvis, etc.). Also theme baskets from
your state, or gift certificates for specialized items from your
state like live lobster fest or steaks. Also fishing, skiing trips
and beach houses seem to draw quite an interest. Don’t forget
jewelry and airline passes.

Should you have questions on how to handle a donated item
please don’t hesitate to contact Karen Deery at 866-267-3104.

It seems the IU alumni suite remains to be the most active and
is undoubtedly the most popular. It is truly a tradition that is
worthy of maintaining, and our thanks go out to all of the
alumni who have financially and otherwise contributed to its
success. Please come and enjoy the camaraderie in San
Francisco.

GREETINGS FROM THE BAY AREA!

By Leslie Tanimura

Preparations for the Hoosier suite at the 2004 AAPD
annual session are well under way! I am looking forward
to seeing all of you in The City. Having experienced the
infamous elevator delay in NYC this past May, I am pleased to
report that the elevator arrangement at the San Francisco
Marriott is quite streamlined and will hopefully prevent you
from wasting too much of your holiday. After all, The City has
countless cultural events, sporting events and fabulous restau-

rants; your visit to the Bay Area will be a wonderful and
and I will be compiling a detailed list of our favorite dining
spots for you to review in the suite. I will also have available
in the Hoosier suite, a handy collection of tourist information,
brochures and area maps. Lastly, there simply isn't enough
space in this newsletter for me to write about the shopping...
just know that there is plenty, it will be fun and yes, if you
walk fast enough and buy enough, it will be aerobically
challenging! See you in May!!!
Two "old friends" and colleagues.

President Lee presents Paul Starkey with a framed memento given by Monty Harrison. The occasion - a dinner at Lockober's Restaurant in Boston when Walter Doyle retired from the ABPD.

President Lee presents the McDonald Scholar Award to Hayley Heckman.

Dr. Don Gardner pays a tribute to Dr. Starkey.
President Lee presents Our Tree alumni pin to Nathan Kirk.

Dean Lawrence Goldblatt, shown with Dr. Ralph McDonald, attended the dinner meeting honoring Dr. Paul Starkey.

Carol Braun presents Paul Starkey with two Virginia Walking Sticks. One for daily use and one to adorn his home.

President Brian Lee presents the G.R. Baker Award to Craig Ritchie.

RESIDENT LIFE

By Cody Mast, Chief Resident

Life is so... busy. I know I'm preaching to the choir, but "busy" is probably an understatement. If it's not learning how to manage patients, document charts, and doing research, it's about having new children, running after older ones, making lifelong commitments or enjoying new ones. It's almost as if the dust settles in one place only to blow up in another. It's funny, but my mom would probably reply with "Life isn't so... So is life".

So! I'd like to give you a brief, not-too-busy idea of what the residents are up to these days in the clinic and beyond. The first years have been meeting the challenge of residency head-on and continue to be showered with compliments from all angles, whether from staff, faculty, or their peers. Research seems to be ahead of schedule for most of them and the summer onslaught of classes is already in the rear view mirror. Aside from their academic achievements, the first years deserve congratulations in a number of different ways.

First, both Anokhi Dalia and Jodie Stickley recently became engaged. Their respective fiancés are also dentists, but neither live locally, which makes things unfortunate for them but their stock in MCI and ATA more attractive. Hans Peterson just became "Dad" for the 3rd time, built his first fence, and is enjoying his transition from Kentucky. Sean Cook and his wife, Amanda, hosted the first resident get-together in true hosting style, providing everything from bratwurst to Karaoke. Mark Ellis reports he's been enjoying his anesthesia rotation, whether intubating, placing IV's or passing gas. On a more serious note, we would like to wish Mark Ward a successful and enjoyable career in general dentistry. Mark has realized his passion for adult dentistry outweighs his career vision in pediatric dentistry and has decided to discontinue his training. It was a pleasure getting to know Mark, and I hope our paths cross again at some point in the future. However, Dr. Dean has informed us that Dr. Swati Sing, a 2002 IUSD graduate, will be taking over Mark's position effective January 1, 2004. Welcome to our group Swati!

Among the second years, some other noteworthy activities have been occurring. First, both Leyla Abazari and Tawana Lee won substantial scholarship awards from Delta Dental to be directed toward their respective research on glass ionomers and infant formula. Tawana was also appointed to the Leadership Seminar Series along with Dr. Sanders for Public Policy and Public Health training, as well as awarded recipient of the Bessie Delaney Award for 2003-2004. Yanev Cohen is fathering 6-month-old twins AND a bright 3-year-old named Ari. He miraculously has the energy to remember my name, let alone his other patient responsibilities while building his own photographic library of interesting cases. Kim Porapaiboon is looking for practice opportunities in northwest Indiana, as well as the Indianapolis area when she's not cooking up tasty new recipes. Mark Boone was recently married to a great girl named Hilary whom he met while based in North Carolina. He is awaiting military confirmation of his next assignment, which could take him roughly anywhere from the Arctic Circle to the heel of Italy to the Orient. Mark and I just returned from the IAPD meeting held in the "Big Easy". Our trip was in lieu of attending the New York meeting in May and was funded by our own Alumni Association and the US Navy. After 4 days and nights of presentations, meeting colleagues from all over the world, sampling Cajun food and experiencing Bourbon Street Mardi Gras style, I think it's fair to speak for all the residents when I say we are grateful for the opportunities given to us and hope to provide similar opportunities for future residents as alumni, ourselves. Thank you for your support, encouragement, and invitation to continue the tradition.

THE CURRENT PEDIATRIC DENTISTRY RESIDENTS

Taken October 3, 2003 at the Fall Meeting of the Indiana Society of Pediatric Dentistry.

From left to right: Cody Mast, Yanev Cohen, Mark Boone, Kim Porapaiboon, Mark Ward, Jodie Stickley, Mark Ellis, Anokhi Dalia, Hans Petersen, Tawana Lee, Sean Cook, and Leyla Abazari.
RILEY DENTAL CLINIC NEWS
By Dr. Brian Sanders

In October, Dr. Tawana Lee and I attended the first of three Leadership Seminar Series in Washington D.C. The American Medical Student Association sponsored the program. The focus of the program was the Surgeon Generals Healthy People 2010 report, Health Care Disparities and the development of leadership and advocacy skills to promote change on a national level. In addition, we began to formulate individual projects that will be completed as part of the leadership series.

The leadership program was fascinating as it brought together a broad range of physicians, dentists and political advocate throughout the country with a common goal of improving health care. The design of the initial community projects was refined with input from the participants to improve the quality of the projects as well as to prevent duplication. The next meeting is planned for February 2004.

Barry Burgess announces the birth of his daughters!

NOTICE OF INCREASE IN ANNUAL CONTRIBUTIONS

Because of increasing expenses, the desire to continue having the hospitality suite at the annual AAPD scientific session, and to help support the dental residents, the Executive Council of the Indiana Pediatric Dentistry Alumni Association voted to increase the minimum annual contribution from $40.00 to $100.00. This was approved at the Board of Directors meeting held in Indianapolis on Thursday, June 19, 2003.

The contributions also goes toward defraying the cost of the newsletter, awards, the Biennial Meeting, and other activities related to running the Alumni Association. The strength of our Alumni Association is dependent upon the financial support of our membership. The Association has been a model for other pediatric dental associations to try to emulate. Of the 270+ members, 127 have contributed the past year. I would like to see this number double next year. Remember, the contribution is tax deductible. Thanks again for all your support.

Brian D. Lee, D.D.S., M.S.D.
Past-President, IUPDAA

OCEAN FRONT HOME FOR 1 WEEK

Phil and Laura Miller are donating their ocean front home for our silent auction during the AAPD meeting in San Francisco. The winner should schedule their September through May week with Phil and Laura. Their Fripp Island, South Carolina home has over 4200 square feet, 5 bedrooms, and 5 baths including 4 master suites each with a whirlpool tub and ocean view. The Miller's home has a covered deck, can sleep 16, and has an elevator. This home is in a private resort with security. The island resort has 3 restaurants, 2 golf courses, a tennis center, numerous pools, and bike trails. Golf carts are a popular means of transportation on the island. See the artist drawing above of the Miller home which is scheduled to be completed in April 2004.

MARK YOUR CALENDAR

Mark Your Calendar for the 2004 AAPD Conference in San Francisco. Our Alumni Association will have a suite in the San Francisco Downtown Marriott, 55 Fourth Street. The hotel phone number is 1-800-896-1600. The suite will be open on May 27, 28, 29, and 30. Plan on the usual fun, food, beverages, and raffle. Look for more information on our suite after the first of the year.
ADOPT A RESIDENT

By Bill Keaty

This past June at the board meeting it became apparent that due to the poor performance of the stock market and the cost involved in getting our increasing number of residents (we are up to 12 now) to the AAPD meeting; we have significantly depleted the McDonald Fund.

Don Gardner, hearing this, suggested that we start an Adopt-A-Resident program to help the funding. The idea was explained at the meeting and quite a few people volunteered to either contribute $800 for each resident or partner with another member to cover the cost of sending one resident. After the meeting and a few more phone calls we were able to accumulate approximately $10,000 to help replenish the McDonald Fund.

We are still quite a bit behind the ball and so we are making a special effort to increase our revenues through our raffle tickets and auction items for this upcoming year.

The complete list of those who have already donated to the Adopt-A-Resident program is listed below. We offer them our sincere thanks for their generosity.

GEORGE ADAMS  RICK BLAKE  HARRY BOPP
STEVE BRANAM  RON DITTO  DON GARDNER
BURTON HORWITZ  BILL KEATY  CHUCK KERKHOVE
RANDY LONG  PHIL PATE  KEITH ROBERTS
DOUG SCHMIDT  PAUL WALKER

Should you wish to make a direct donation to the McDonald Fund for the Adopt-A-Resident program please call Karen Deery at 866-267-3104. A full sponsorship is $800 and partial sponsorship is $400.
