

IUPUI COMMENCEMENT GENERAL PARKING INFORMATION AND DIRECTIONS FOR PERSONS WITH DISABILITIES

PARKING

There is no designated parking specifically for the Indiana Convention Center, but there are a number of parking garages in the immediate vicinity of the facility as well as limited on-street parking. Links to parking garages and a map of downtown parking is available through the Indiana Convention Center web site at <http://www.icclos.com/>.

SPECIAL INSTRUCTIONS FOR STUDENTS AND GUESTS WITH DISABILITIES

Individual school ceremonies will be held at various locations in the Indiana Convention Center. Access to these school ceremonies will be via the Maryland Street entrance, which has a circular drive where students and/or guests with disabilities may be dropped off at the lobby door.

A limited number of wheelchairs will be available at no charge to guests on a first-come, first-served basis. A distribution station will be located inside the Maryland Street entrance as well as at the First Aid Room across from Hall E.

For the University Commencement ceremonies in Halls A-B-C, designated areas will be available for wheel-chair seating. A limited number of chairs will be available in this area for accompanying family members. Ushers will direct guests to these areas.

For the benefit of those who have difficulty hearing, the University Commencement ceremonies will be close-captioned on several large screens in Halls A-B-C. A designated seating area is also available for the hearing impaired. Ushers will direct guests to this area.

Special note: *Students with disabilities requiring special accommodations who are participating in one of the University Commencement ceremonies should contact the Commencement Hot Line at 278-1720 by Monday, May 4, if they have not already done so. Information needed is name of student and School with which student will be seated.*
