The 2016 IUPUI Commencement ceremony will be held in Lucas Oil Stadium, 500 S. Capitol Avenue, at 1 p.m. on Sunday, May 8.

The School of Medicine, the School of Dentistry, and the Robert H. McKinney School of Law will hold recognition events on Saturday, May 7. All other schools will hold recognition events on Sunday, May 8, after the Commencement ceremony. See pages 2-3 for locations and starting times.

To participate in Commencement, bring your cap and gown to Lucas Oil Stadium, Exhibit Halls 1 and 2, no later than 10:30 a.m. on Sunday, May 8, for lineup and photos. The procession will begin at 11:50 a.m. The doors to Halls 1 and 2 will be locked once the procession begins. Anyone not in Exhibit Halls 1 and 2 at that time will not be able to participate in the procession nor sit with their respective schools.

Guests may enter the stadium through all entrances. See the maps on page 4.

See page 4 for information for students and guests who have accessibility needs.
ATTIRE: Caps and gowns must be worn at the university Commencement ceremony by all degree candidates. Master’s degree candidates are to wear their hoods, and doctoral degree candidates are to carry their hoods over their left arms during the procession. You must return your gown and hood to staff members, located at all exits of the Indiana Convention Center, by 7 p.m. on Sunday, May 8, so please dress accordingly. The cap and tassel are yours to keep.

HONOR CORDS: Candidates who are graduating with honors are provided with honor cords by their respective schools. Honor cords for all degrees except associate are worn on the left shoulder and hang down over the left arm. Safety pins are provided to attach the cord to the gown above the left sleeve. Associate degree candidates wear honor cords draped around the neck. In addition to the official university cords designating scholastic achievement levels of highest distinction, high distinction, and distinction, cords from approved organizations listed on the Commencement website (commencement.iupui.edu) may also be worn at the university Commencement ceremony.

PHOTOGRAPHS will be taken of all degree candidates at Commencement. As you enter the robing area, staff members will distribute identification cards to be filled out with instructions regarding the photography procedure. You will be photographed before entering the staging area. As you approach, one of the photography staff members will ask for your completed card; another will ask you to speak your name into a tape recorder. Please do not slow down or stop for these procedures. Your picture will be taken by a third staff member as you walk. After your photograph is taken, you’ll line up with your school.

PROCESSION: Faculty marshals will lead graduates in the university Commencement procession and direct them to seating. Candidates are to follow the marshals’ instructions to keep the procession moving in an orderly fashion. Candidates and faculty will be seated from the front to the back on the floor. Participants are to sit in the next available chair immediately upon entering a row. At the beginning of the ceremony, all candidates will rise and remain standing through the singing of The Star-Spangled Banner.

TASSELS: Candidates for first degrees wear tassels on the right sides of their caps until degrees have been conferred. After the conferral, bachelor’s and associate degree candidates grasp the tassel with the left hand and transfer it to the left side of the cap. Candidates who already have a degree wear their tassels on the left side throughout the ceremony.
